

Luxembourg's Innovation Campus

HOUSE OF **STARTUPS**

powered by the Luxembourg Chamber of Commerce

Our Mission

The House of Startups (HoST) was set up in 2017 by the Luxembourg Chamber of Commerce with the ambition to become a driving force behind the startup and innovation ecosystem in Luxembourg. Its mission is to federate, promote and support the startup ecosystem but also the innovation needs of businesses and other organisations. HoST supports and promotes innovation, the creation of innovative startups and economic growth.

- Startup World Cup
- Hackathons
- And many more ...

Luxembourg Open Innovation Club (LOIC)

loic.lu

➤ Created in 2016, the LOIC bridges the gap between Luxembourg corporates and the Innovation ecosystem.

Steered by more than 30 Innovation Directors, the Club enables the implementation of open innovation (OI) projects through best practice sharing, working groups and business connections with startups.

EU-TRIBE

➤ EU-TRIBE is the crossborder cooperation network for startups incubators, accelerators and hubs from the Greater Region (Lorraine, Luxembourg, Rheinland-Pfalz, Saarland, Wallonia). The network gathers nearly 40 members, who bring together their powers and resources. EU-TRIBE runs cross-

border networking sessions, experience sharing, side events on major fairs, sharing of opportunities, following its mission: facilitate startups' access to their neighbouring markets, and support the Greater Region innovation ecosystem.

Startup Corner Podcast

➤ The «Startup Corner», the Luxembourgish podcast about startups and innovation in Luxembourg, presented by the *House of Startups*. Once per month, we talk to founders, business angels and innovation experts about what they've achieved so far and where they want to go next. Be inspired by latest news and trends from the digital world.
